# *Happy Thanksgiving 2018*

Dear Lord

Thank you Dear Lord for all your abundance of this Thanksgiving Day, for this and much more we thankfully pray.

For the love of our family,  
the friends we hold near.  
The blessings you bestow  
throughout all of the year.

Our life and our happiness,  
our love and our losses.  
The truth of our existence,  
your peace and your process.

The time that we've spent  
with those whom are gone.  
The love in our hearts  
for life, as we must carry on.

The strangers around us  
with whom we don't know.  
All our brothers and sisters  
with our hearts we bestow.

Thank you for your forgiveness  
when mistakes we do make,  
and for the knowledge to correct them  
we do not forsake.

Sometimes we take for granted,  
this life you have provided  
and your patience with us  
when our behavior is one sided.

For on this day of thanks  
we are grateful indeed,  
and thank you Dear Lord  
for all your great deeds.

We thank you Dear Lord for the  
sun and the sky,  
the moon and the earth,  
the seas far and wide

and ...

from each and every one of us  
We thank you Dear Lord,  
for all whom are living  
for all whom have passed,  
for all whom have not felt your love  
& for the promise of heaven  
Thank you Dear Lord  
for this blessed Thanks Given.

For this and more, Dear Lord  
we thankfully pray  
we are so very grateful, Dear Lord  
for this Thanksgiving Day.

IMAR Protective Cleaner (#301 16 oz. spray) is uniquely formulated to clean, shine and protect clear vinyl. Special UV inhibitors in this cleaner significantly extend the useful life of vinyl by minimizing the deteriorating effects of sunlight. This helps defeat the common problem of age induced brittleness and promotes continued flexibility. It is safe to use daily and is recommended to be used often to properly maintain the clarity of clear vinyl.

**Retail Price: \$27.00**  
**Sale List Price \$13.50**

IMAR polish (#302 4 oz. bottle) is a polymer based product specifically formulated to safely clean, polish and protect clear vinyl. The trade secret ingredient of this polish is the molecular bonding that creates a nearly invincible protective barrier against the damaging effects of environmental pollutants. It is recommended for use every 2-3 months and in areas of high fallout, use every 4-6 weeks.
