

Clear, Concise & To The Point

Sometimes WE get inundated with updates, price increases or new information. Time doesn't always allow us the opportunity to gracefully compose this information, so ... here it is ... **"CLEAR, CONCISE & TO THE POINT."**

2000-06 BMW Products

WE carry OEM parts for 2000-20006 BMW "i & m" series vehicles, our stock number is BM8150.

Headliner Black Ribbed - List Price \$415.00.

Quarter Stiffeners for Headliner - List Price \$312.00 pr.

The quarter stiffeners for this vehicle differs from the earlier models in that the string kit comes attached to the stiffeners. In the earlier models the string kit was separate which was more costly.

Our New Catalog

WE are presently working on producing our 2013 catalog and are designing a new pricing format that WE feel will be easier to read by eliminating the more unusual material choices; WE will request that you call us for those options. There will be price increases on items WE do not manufacture (i.e. cables, headliners not made by us, OEM parts, hardware, cut yardage and Jeep tops) and a modest increase on the items WE do. WE are also keeping prices down and competitive on our most popular tops and increasing prices on those items that are in unusual materials or colors.

Sebring Headliners 1996-2006

At this time WE are producing Sebring headliners in black ribbed, foam backed headlining material. WE have temporarily discontinued them in the non-foam backed material. List price is \$500.00.
