

Electron Top Mfg. Co.

"Did you know that we also sell products that we use in the manufacturing of our convertible tops?"

See **page 17** of your *Electron Top* catalog for all other products that we sell ... other than convertible tops.

For all of your convertible top needs call

(800) 221-4476

"WHERE are your convertible tops being manufactured?"

Our family has been manufacturing our convertible tops in the USA since 1960. WE help support American Manufacturers when WE buy our raw goods, our Community when WE hire local residents and our Country when WE pay our taxes.

"Who do you support with your purchases?"

Electron 70p Mfg. Co. (800) 221-4476
